cULus,DLC LED Wall Pack IP65,80W

Specification	
Model Number	LWP80W
LED Type	SMD3535
LED Brand	Cree chip
Total Watt	80W
Operating Voltage	100-277V
Color Temperature	4000K,5000K,5700K
Lumen Output	8000
CRI	>75
Lifespan	50,000
Efficacy	100LM/W
Warranty	5 years
Driver	Meanwell driver
Body Materials	Aluminum
IR rating	IP65
Finish	Bronze,Black

Features

**Featuring high efficacy CREE LEDS

**Up to 90% energy savings compared to MH or HPS

**Heat and shock resistant durable cover

**Corrosion-resistant, die-cast aluminum enclosure

**Shatterproof and anti-UV diffused PC cover

**IP65 rated with stainless parts, screws and gaskets

**Sealed free against dust, dirt, insects and moisture

**Line voltage: 100-277V available

**Lumen efficacy: 100LM/W

**LM79 LM80 IES file available

**UL DLC approval for government rebate
